

Class Action Litigation

Class actions continue to increase. Federal and state rules and case law governing class actions also constantly change and develop. Fowler White Boggs has experienced litigators whose practices focus on class actions.

Fowler White has one of the strongest and most experienced team of class action lawyers in the state of Florida. Our class action litigators handle cases in state and federal courts throughout Florida and across the country. We have defended class actions in numerous jurisdictions including Alabama, Arizona, Arkansas, California, Colorado, Delaware, Florida, Georgia, Kentucky, Illinois, Iowa, Louisiana, Minnesota, Montana, New Mexico, New York, Ohio, Pennsylvania, Puerto Rico, Texas, Washington, D.C., Washington, West Virginia, Wyoming and the U.S. Virgin Islands.

Our Class Action Litigation Group handles cases that involve insurance, health care, securities, financial services, consumer claims, products liability, employment and ERISA issues, and a variety of other subjects.
