

Diversity Scholarship Programs

Fowler White Boggs P.A. is pleased to announce our Diversity Scholarship programs. Fowler White strives to increase diversity in the legal field and offers these scholarship programs to support those individuals with similar goals and interests.

We are proud to be an inaugural member of the Leadership Council on Legal Diversity (LCLD). This groundbreaking organization is a cooperative effort between general counsels and managing partners of major corporations and law firms dedicated to making significant, tangible progress on diversity by developing specific goals, implementing measurable metrics and rewarding definitive results.

As a member of the LCLD, we are pleased to offer a 1L Diversity Scholars Fellowship in our Tampa office, which will provide a diverse first-year law student with the opportunity to join our 2012 Summer Associate Program and work with attorneys, paralegals, and other specialists. Our Law School Scholarship program is open to law students in their first year who have demonstrated a commitment to diversity. We will award one scholarship per year through our law school diversity scholarship program. The successful applicant will be awarded a \$1,000 scholarship. Applications will be forwarded to law schools in the fall each year.

Fowler White Boggs also partners with the Hillsborough Education Foundation to award one graduating minority high school senior a \$2,500 cash scholarship.

Diversity comes in many forms, including age, gender, race, ethnicity, culture, religion, sexual orientation, physical ability, marital status, economic background, and life experiences. Fowler White promotes all types of diversity in the practice of law.
